# Discover Hire Standards

## *G.E.M. Governmental Employment Module*

**Personally Yours Staffing** is pleased to introduce its new program tailored to Governmental employers. Finding the ideal Candidate amidst mountains of resumes is comparable to a miner's quest for the perfect "gem". More likely than not it exists somewhere within the mountain but extracting it is both expensive and time consuming.

Given the recent erosion in tax revenues resulting from regulatory changes coupled with tumbling property values, the burden on government to deliver services has grown ever more difficult. Personally Yours Staffing's "GEM" program is designed to yield the best available Candidates within the market while at the same time operating within existing budget constraints.

Call Personally Yours Staffing today and "Discover Hire Standards".
